between the Commission and the Kingdom of Sweden

This Addendum (the “Addendum”) to the Recovery and Resilience Facility Financing Agreement is made by and between

the European Union, represented by the European Commission,

hereinafter referred to as “**the Commission**”

and

the Kingdom of Sweden, represented by the **Minister of Finance**,

hereinafter referred to as “**the Member State**”,

hereinafter jointly referred to as the “Parties” and each of them a “Party”

PREAMBLE

Whereas:

- (1) The Recovery and Resilience Facility Financing Agreement (the “**Financing Agreement**” or “**Agreement**”) between the Commission and the Member State entered into force on 15 December 2022;
- (2) Pursuant to Article 11(2) of Regulation (EU) 2021/241 of the European Parliament and of the Council of 12 February 2021 establishing the Recovery and Resilience Facility (“RRF Regulation”), the maximum financial contribution for non-repayable financial support of each Member State had to be updated by 30 June 2022 in accordance with the methodology provided therein. On 30 June 2022, the Commission presented the results of that update to the European Parliament and the Council.
- (3) The RRF Regulation provides for the inclusion of REPowerEU chapters in recovery and resilience plans in order to provide Member States with financial support with a view to

achieving the milestones and targets of reforms and investments pursuing REPowerEU objectives, as set out in their recovery and resilience plans.

- (4) On 24 August 2023, the Member State submitted a modified recovery and resilience plan (“RRP”), including a REPowerEU chapter, to the Commission. The modified RRP also took into account the updated maximum financial contribution in accordance with Article 18(2) of the RRF Regulation. The Council Implementing Decision approving the assessment of the modified RRP entered into force on 10 November 2023. On this basis, there should be an addendum to the Financing Agreement, also taking into account the updated financial contribution, in accordance with Article 1(3) of the Financing Agreement.

Financial Contribution

- (5) The Council Implementing Decision establishes a Financial Contribution of EUR 3 445 666 208 for the Member State, with EUR 2 910 807 980 available to be legally committed by 31 December 2022. A further amount of EUR 270 428 569 is available to be legally committed as of 1 January 2023 until 31 December 2023.
- (6) Furthermore, in line with Article 21a(6) of the RRF Regulation, the Council Implementing Decision allocates EUR 198 429 659 of the revenue obtained from the emissions trading system in accordance with Article 10e of Directive 2003/87/EC of the European Parliament and of the Council; and EUR 66 000 000 transferred to the Facility from the Brexit Adjustment Reserve in accordance with Article 21b(2) of the RRF Regulation.
